DETAILED ACTION

1. This application is in condition for allowance except for the following formal matters:

Priority

2. Applicant has not complied with one or more conditions for receiving the benefit of an earlier filing date under 35 U.S.C. 119(e) as follows:

An application in which the benefits of an earlier application are desired must contain a specific reference to the prior applications in the first sentence of the specification of in an application data sheet (37 CFR 1.78(a)(2) and (a)(5)). The specific reference to any prior nonprovisional application must include the relationship (i.e., continuation, divisional, or continuation-in-part) between the applications except when the reference is to a prior application of a CPA assigned the same application number. While reference to 60/085,289, filed May 13, 1998," was made in the originally filed application, said reference has been canceled and replaced by the amendment to update the status of the parent application at page 1, lines 10 and 11.

It is recommended that applicants amend and/or provide the ***Cross-noting*** and ***Brief Description of the Drawings*** sections.

Specification

3. Page 1 , lines 8-9 and 10-12, contain duplicate references to the parent serial number 09/092,676. This is redundant and lines 8-9 should be deleted in their entirety.
- 4.

Art Unit: 1712

The specification contains pages 30, 31, 32, and 33, containing figures 1-4. It is unclear that said pages were canceled and page 34 of the specification

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
